

Join our webinars to hear proposals for Market Street and have your say

Bracknell Forest Council and Countryside Properties have established a joint-venture known as Bracknell Forest Cambium Partnership, which will continue the successful regeneration of Bracknell town centre following the launch of The Lexicon.

Market Street

Market Street is the second site to be submitted for planning from the Bracknell Forest Cambium Partnership. This application proposes to deliver high quality

residential apartments and commercial uses, enhancing the public realm and enliven the wider town centre.

Market Street is a key site within the Council's long term aspirations of the 'Bracknell Town centre Vision 2032' report, which sets out how Bracknell will realise its potential as a strong town centre, serving a prosperous and dynamic area. The Market Street redevelopment is part of the first phase of sites to come forward under this strategy.

We will be hosting two webinars for residents and local businesses to ask questions and submit feedback on these proposals.

These will take place on the afternoon of **Tuesday 15 June from 2pm** and the evening of **Wednesday 16 June from 6pm** for an hour. You can hear more on our proposals and register for our webinar via our website at www.marketstreet-bracknell.com
